

Activities for the Month of January and February

Basant Panchami Celebration

- Basant Panchami was celebrated with devotion and enthusiasm. The day was dedicated to Maa Saraswati, the Goddess of knowledge and wisdom. Students and teachers offered prayers, and learned about the significance of the festival.
- The celebration reinforced the importance of education, discipline, and cultural values among students.

Republic Day Celebration

- The school celebrated 76th Republic Day with pride and patriotic fervor. The National Flag was unfurled and students paid tribute to the Constitution of India. A special assembly was conducted to commemorate this special day .

Admission Fair 2026–2027

- The school recently hosted an Admission Fair for the academic session 2026–2027, showcasing its vibrant academic and co-curricular ecosystem. Students took the lead, planning and presenting various sections like Cambridge English, IAYP, French, Robotics, NCC, and Art & Craft through engaging demos and displays. The fair highlighted the students' skills, creativity, and leadership, reflecting the school's commitment to holistic education .

Parade of Pride – Honouring Our NCC Cadet

- Our NCC Cadet Isha of Class 10 represented her talent at the prestigious Republic Day Camp (RDC) 2026 in New Delhi
- Her achievement brings immense pride to Dyal Singh Public School, Jagadhri, inspiring fellow students to strive for excellence.

Mission - Swachta ki Aur

“Don't Mix Waste – Keep  Earth Safe!”

- The Municipal Corporation (Nagar Nigam) conducted an activity in school premises on 13th February 2026, to aware students about cleanliness and ways to tackle different types of wastes. The students presented a Nukkad Natak to spread awareness and promote cleanliness habits among people.
- The officials from Municipal corporation (Nagar Nigam) Mr. Durgesh Kumar (Swachh Bharat Mission Expert) witnessed this activity and appreciated the students' efforts to save our environment .
- It helped students to understand the importance of waste segregation and to learn which type of waste goes into different colored dustbins.
-  Green – Wet/Biodegradable waste
-  Blue – Dry/Recyclable waste
-  Yellow – Medical waste
-  Red – Plastic waste
-  Black – Non-recyclable/general waste
- “Segregate Today, Save Tomorrow!”

Talented 20 (Round 2 – Oration)

- The best orators were awarded with appreciation certificates.
- Our Talented -20 of Classes 1 to 5 Round 2 Oration was conducted on 14th February 2026. Kudos to their oration skills and dedication!
- The school has been putting consistent efforts to nurture the innate talent of the students. Keeping the same in view; Talented 20 (Oration Round 2) was conducted to improve Public Speaking and boost confidence and self expression.
