

Activities for the Month of September

Nutrition Week (1ST to 7TH September)

- Nutrition week was observed from 1st September to 7th September, 2025 to spread the awareness about healthy eating habits and balanced diets among the students. Teachers guided the students on making healthy food choices emphasising upon the role of fruits and vegetables and the benefits of avoiding the junk food. The celebration encouraged students to adopt the healthy lifestyles for their overall growth and well being. The students were also instructed to follow a particular food Menu to maintain good health.

Teachers' Day celebration

- Teachers' Day was celebrated with enthusiasm to honour the invaluable contribution of teachers. A special Assembly was conducted, highlighting the role of teachers as guides, mentors and nation - builders which was followed by the presentation of various cultural items by the students.

Sardar Dyal Singh Majithia Day

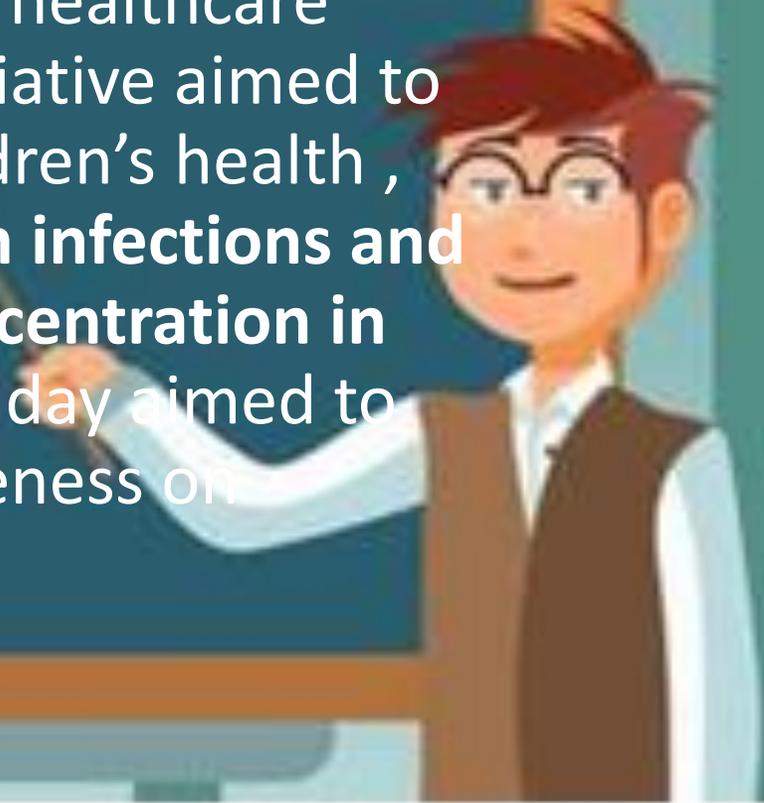

- Remembering our **Founder Sardar Dyal Singh Majithia**, the great educationist and philanthropist. Dyal Singh Public School, Jagadhri paid rich tribute to Sardar Dyal Singh Majithia, a great visionary and founder of DSCTS, Karnal.
- Students shared his journey and contributions, inspiring everyone to follow his vision of **knowledge, discipline and service**.

National Deworming Day

- On National Deworming Day , students were administered **Albendazole Tablets (400 mg)** under the supervision of teachers and healthcare staff. The initiative aimed to improve children's health , **reduce worm infections and enhance concentration in studies** . The day aimed to spread awareness on hygiene.

Hindi Diwas Celebration

- A special Assembly was held on the occasion of **Hindi Diwas on 12th September 2025** highlighting the **importance of Hindi Language** . The students recited poems to appreciate their cultural heritage. The teachers acquainted the students with preservance of our linguistics and importance of our mother tongue.
