ACTIVITY REPORT

April, 2026

Theme of the Month

"Empowering change through wellness, wisdom and sustainable living."

We are pleased to submit the Activity Report for the month of **April 2026**, highlighting the academic and co-curricular initiatives that have marked the successful start of our new session. This report reflects our commitment to holistic student development and our focus on implementing modern educational frameworks.

I request you to kindly review our progress and favour us with your valuable guidance and suggestions for further improvement.

Thank you for your continued support and guidance.

Academic Commencement

The new academic session (2026-2027) commenced on 2nd April, 2026

We welcomed students back with focussed and dynamic start to the new academic journey.

To seek the blessings of the Almighty the session commenced with pious Hawan Ceremony in which all the staff members & students prayed together for a successful and prosperous year ahead. Following the spiritual start, a special welcome assembly was organized to greet our students, with the special focus on the new admissions joining our school family. The assembly featured many different cultural performances that everyone enjoyed. The new students were also warmly welcomed by the class incharges who helped them to settle in and make new friends. A campus tour was also organised for the new students to familiarize them with school environment.

Achievements

State level Pot decoration Competition

An Inter School State Level Pot Decoration Competition was held at Bal Bhawan, Rewari on 13th April, 26. Manikya Rana of class 12th Humanities bagged 3rd prize.

IAYP Gold level Award Ceremony

The felicitation ceremony for the IAYP Gold level was held in New Delhi, on 21st April 2026, celebrating the exceptional leadership of young Achievers from across the country. Students of DSPS, Jagadhri (Manikya(XII),Rahul(XII),Suraj(XII),Dishita(XII) were lauded for their journey through the four core domains of the award and meeting the rigorous requirements of the Gold standards.

Special Assemblies and Celebrations

National Maritime Day

Our school celebrated National Maritime Day on 4th April 26, with the series of engaging and educational activities designed to honour the history of India's Maritime sector and inspire the students to explore careers at sea.

The following activities were scheduled-

Sail away day

The students of classes 1 and 2 engaged in the hands on activities such as building sustainable model of ships and sailing their ships in a water trough.

Maritime Quiz

In alignment with the annual celebration of National Maritime Day, a specialised Maritime Quiz was conducted for classes 9 and 10. The event aimed to deepen students understanding of India's maritime history and pivotal role of the Merchant Navy and Indian Navy in national security. The event served as an excellent platform for students to display their research on Maritime current affairs.

Documentary Screening

To Commemorate the historic significance of National Maritime Day, a Documentary Screening on **SS Loyalty**, the first ship of the Indian Historic Voyage was organised for the students of classes 9 and 10.

The students recognised the Merchant Navy & Naval Architecture as prestigious & historically significant career paths and enhanced their historical knowledge.

World Health Day

On the occasion of World Health Day, a special assembly was conducted in the school premises on 7th April, 2026 to promote awareness about the importance of good health and well being among students. The students presented thought for the day, speeches emphasizing balanced nutrition, regular exercise and mental wellness.

As part of the celebration, various health-focussed activities were organised throughout the week marking it as health week.

- Role Play activity- Dr. Good (class 1 to 3)
- Healthy- Tiffin Challenge (class 1 to 8)
- Food menu awareness (class 1 to 10)
- Yoga and Meditation (class 6 to 8)

Additionally, a seminar was conducted for classes 6 to 10 by Dr Vipin Manocha who educated students about personal hygiene, common health issues and preventive health care measures.

The session was interactive, allowing students to ask questions and clear their doubts.

Baisakhi Celebration

The festival of Baisakhi was celebrated on 13th April 2026, in school premises with great enthusiasm. The celebration began with a special assembly, where students shared importance of Baisakhi as harvest festival. Students also presented cultural performances, including Punjabi folk dances which filled the atmosphere with energy & excitement.

Teachers explained the value of hard work, unity and gratitude towards farmers, helping students understand importance of agriculture in our lives.

DR. B.R. Ambedkar Jayanti (Formation of Class Room Constitution)

On the occasion of Ambedkar Jayanti, a meaningful classroom Constitution was formed on 13th April 2026, for classes 4th to 10th. This event aimed to pay tribute to the chief architect of the Indian Constitution, and to instill the values of democracy and equality in students. The students were made aware about the importance of drafting of a Preamble for their classroom Constitution. They also understood about their rights and duties as a school student.

World Heritage day

Commemorating the Theme “Discovering and Conserving our roots” the school organised heritage quiz on the occasion of World Heritage Day on 18th April, 2026 for class 9th.

The students developed competitive spirit and expanded their knowledge about the Indian History and archaeological findings.

Earth Day Celebration

To commemorate Earth day, the school organised series of engaging events on 18th April 2026, aiming to raise awareness and foster a sense of responsibility towards our planet.

A special initiative, 'एक पेड़ माँ के नाम ' was organised in which students of class 3 and 4 planted saplings in the name of their mother, symbolising love, care and responsibilities towards nature. Additionally, students enthusiastically participated in making green caps promoting the message of going green and adopting Eco friendly habits.

As part of the school's ongoing **sustainability initiative** and aligned with the National Education Policy (NEP) focus on skill-based learning, a "Best Out of Waste" activity was organized for classes 6 and 7. The goal was to transform everyday household discards into functional or decorative items, encouraging students to view "waste" as a resource.

Nukkad Natak on Save Earth

Our students organised and performed a high impact Nukkad Natak, themed- 'अर्थ को अनर्थ से बचाएं', on 22nd April, 2026 in the heart of Khizrabad to sensitize the local community about environmental Conservation, waste management and the urgent need to reduce the use of plastic.

The residents highly appreciated the initiative and event had a wide media coverage.

World Book Day

On 23rd April, 2026, the school organised various activities on the occasion of world book day. The students across various grade levels participated in a series of creative and engaging activities like DIY book mark making, book review activity, story telling, cover page design and DEAR Time (Drop Everything and Read)

The event empowered students to see themselves as readers and thinkers to highlight the value of books in our lives.

WORKSHOPS AND SEMINARS

Stream Selection Session

To provide comprehensive guidance on academic pathway and career prospects, a stream selection session was held on 2nd April, 2026 by the faculty heads of all streams for parents and students of grade 11. The students were encouraged to align their choices with their inherent strength and long term interests.

Career Counselling Session

A career counselling session was conducted for class 12 students on 15th April, 2026, by Future Scape. The resource person, Mr Sumit Wason, International Certified Career Coach and Assistant Director-UPES, Dehradun guided the students regarding the best possible career prospects after class 12th.

Educational Visit

On the occasion of World Heritage Day, the students of classes 8th were taken for an educational visit to the historical monument, Chaneti Stupa, which is one of the few surviving structure of North India representing the Buddhist Architect.

The visit served as a bridge between classroom learning and real-world heritage. Standing before a structure over 2,300 years old instilled a sense of pride and responsibility in the students to act as guardians of our local cultural legacy.

Safety at School

(Fire mock drill)

A comprehensive fire safety training and mock drill was conducted on 4th April 2026, for the school's support staff. The drill was led by the trained personnel from the fire department.

The session focused on immediate response protocols and the correct handling of fire fighting equipment.
