Joy of giving

GAMES AND SPORTS

Students & Sports is a dynamic combination. The school has excellent facilities and infrastructure for indoor and outdoor games along with yoga room which keeps the students active and in good spirit.

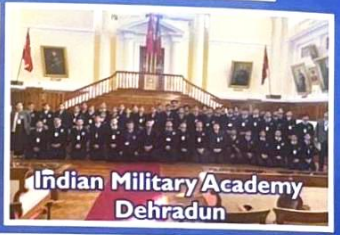

EXPERIENTIAL *Learning*

We aim at providing a hands on approach to education that allows the students to actively engage in their own learning process through the direct experiences. It encourages them to connect their own knowledge to the current world understanding.

STUDENTS' *Workshops*

Seminars and workshops for students are acknowledged as a prime concern for the school. keeping in pace with the modern education and acquainting the students with different career options, workshops are conducted on regular basis by the eminent resource persons.

FACULTY *Development*

At DSPS, Jagadhri teachers are energised as learners as they are given opportunities to direct their own personal growth. The school has invested reasonably in forming a professional learning community. In-house training programs, workshops, seminars and specially designed lessons by the CBSE for faculty development, enhance the quality of everyday teaching. The goals of the seminars are result driven: • **Knowledge of technology** • **Shared vision between leaders and teachers** • **Emotional involvement with students' learning**
